Matt,

I'm available today except 1:30 to 2:30. City Hall.

Thanks,
Ed

Subject: Port 460 Building 1 (and 2?) Fire Pump House

Good morning,

Can we all meet to discuss the Fire Pump/Tank/Fire Hydrant City Water configuration reference this project?

I am in the review stage for the Fire Pump and would like to make sure I am up to speed on approved methods for water supply.

Availability today? City Hall, Station 6?
